WHEREAS, the New York State Comptroller is authorized by Sections 34 and 334 of the Retirement and Social Security Law to adopt rules and regulations for reporting the service and salary information for all employees of participating employers in the New York State and Local Employees' Retirement System ("Retirement System"); and

WHEREAS, Ulster County is a participating employer in the Retirement System; and

WHEREAS, the New York State Comptroller has promulgated Regulation 315.4 which imposes certain reporting requirements for elected and appointed officials of participating employers, and requires the governing board of each participating employer to adopt a resolution establishing a standard work day for each elected or appointed official; and

WHEREAS, among the requirements for employers are a more detailed description of a Standard Work Day along with a Legislative resolution establishing and reporting such Standard Work Day, public posting of the Resolution, and submission of the Resolution to the New York State Retirement System; and

WHEREAS, pursuant to Regulation 315.4, in the event that elected or appointed officials do not participate in an employer's time keeping system, they are required to keep a record of activities (ROA) for a three month period and submit it to the clerk of the governing board within 180 days of taking office; and

WHEREAS, each of the elected or appointed officials listed in this resolution have kept records of their actual time (ROA) worked in their current position for the required ninety days or taken part in the Ulster County time keeping system; now, therefore, be it
